# Czech Dutch Business Support

Opportunities entering the Czech market via CSA/Czech Desk  
in cooperation with their partners.

# CSA Profile

CSA has build up a broad experience in helping companies with their international activities. (import- export- investments etc.) and financial instruments to fund these activities. CSA holds a wide network of specialists to meet any request in international business.

For the Czech Republic we found our partner in MADUR Group A.S. in Prague.

# CSA Services

The CSA / Czech Desk can offer all kinds of services for Dutch companies approaching the Czech market.

We can be your contact point that seeks interesting and reliable business partners in the field of trade and investment in the Czech Republic.

Furthermore we can help you finding subsidy and/or financing possibilities if needed.

We will assist you with the organization of negotiations with selected Czech companies following a trade mission and/or an individual visit.
