Slovenian Business Support

CSA Profile

Clifford Structural Advice (CSA) has build up a broad experience in helping companies with their international activities. (import-export-investments etc.) and financial instruments to fund these activities. CSA holds a wide network of specialists to meet any request in international business.

For Slovenia we found a dedicated partner in the Slovenian Dutch Business Platform

- Partnership with the company
- Professionalism
- Relevance: we focus our attention on matters of interest to you
- Transparency: by clear communication, short lines, clear agreements and clear billing
- Slovenian and Dutch business culture and knowledge

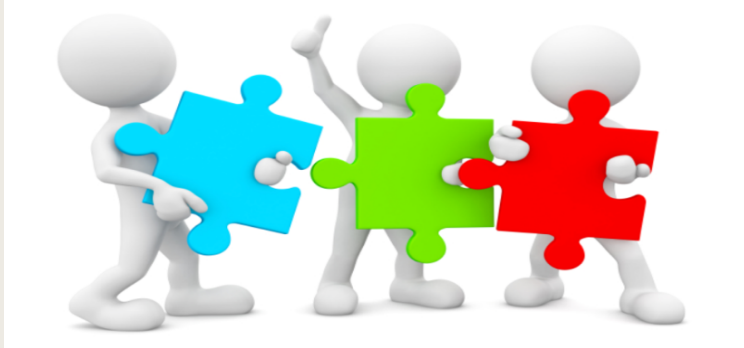

CSA Services

The CSA/Slovenian Desk can offer all kinds of services for Slovenian companies approaching the Dutch market and Dutch companies interested in Slovenia.

We can be your contact point that seeks interesting and reliable business partners in the field of trade and investment in the Netherlands.

Furthermore we can help you finding FDI's, funds/grants and/or other financing possibilities where necessary.

Together with our partners and as linking pin for a variety of both public and private institutions we help business making the right connections.

- SDBP Slovenian Dutch Business Platform - partner
- SPIRIT Slovenija, public agency – linking pin
- Dutch embassy in Slovenia – linking pin
- Slovenian chamber of commerce and industry - linking pin
- BOM (Brabant Development Agency) - linking pin
- REWIN (the regional development authority) - linking pin
- Chamber of Commerce Holland - linking pin
- BIZ (Brabant International Business) - partner
- PNO CEE (funds/grants) - linking pin
- Breda Business Centre - partner
- Brabant regional government - linking pin
- Various (private) investment companies and banks

Clifford Structural Advice with their dedicated partner SDBP can assist with the organization of negotiations with selected Dutch and Slovenian companies as a follow up of a trade mission and/or as an individual opportunity.

Match-making is based on experience and local expertise.

Breda Business Centre is our direct partner where Slovenian companies can start their footprint in the Netherlands.
